

SEPTEMBER GENERAL MEMBERSHIP MEETING . . .

Topic: September membership meeting
When: Thursday, September 10th
Time: 7:00pm
Where: MacNeil Automotive – 5230 Walnut Street in Downers Grove, IL
<http://www.weathertech.com/>

Come out on Thursday September 10th for a very interesting time at MacNeil Automotive in Downers Grove. Dave MacNeil, founder and CEO of MacNeil Automotive, will be our host and we are in for a treat! His facility is as state-of-the-art as they come and Dave's story is the classic American car-guy dream. In a recent *Countersteer* article in Road & Track, Dave describes his start in the business as Vice President of Sales for North America with AMG (cue envy of this writer). He then moved on to classic car brokerage (more envy), then distribution of floor mats and finally manufacturing. Dave also races BMW's and Porsches and is also holder of an Airline Transport Certificate, the highest level of pilot certification (alright, this is just getting to be too much!).

Today the MacNeil Automotive product line includes the below items and the facility is as hi-tech as it gets.

- Floor Mats All-Weather
- FloorLiner™ DigitalFit®
- Cargo Liner
- Side Window Deflectors
- MudFlap No-Drill DigitalFit®
- ClearCover®
- ClearFrame™
- PlateFrame™
- Stone & Bug Deflector
- Sunroof Wind Deflector
- RackSack®
- LampGard™
- Pet Barrier
- Pet Tent
- Side Window Deflectors Big Rig

I know that you will enjoy this meeting, so join us for food, refreshing beverages and good times on Thursday, September 10th.

Please confirm if attending to meetings@windycitybmw.com or 630-915-0067 as there is a limit of sixty (60) people who may attend.

Thank-you,

Scott C. Edsall
